MARQUETTE

1948

COMPILED AND PUBLISHED BY THE SENIOR CLASS OF BISHOP NOLL HIGH SCHOOL

Dedication

To Mary, Queen of the Campus, we humbly and affectionately dedicate this book because—

To us she is the spirit and the essence of our lives at Bishop Noll; her Grotto a part of our lives as well as our landscape.

She is the symbol of everything we hope to be, and trust through her help to become.

She typifies all that is noble and worth-while in our lives and her inspiration has always been the impulse urging us to a LIFE of yet higher achievements.

Fr. Marquette

The life of Father Marquette, a Jesuit Missionary, was one of hardships courageously overcome. He cheerfully accepted every adversity in realization of the fact that through his teachings and good example, he was bringing God into the hearts of barbarian Indians. The students of Bishop Noll High School are following in his footsteps by instilling into LIFE at Noll his noble ideas.

Bishop Noll

THE Most Reverend John F. Noll, D.D., for whom our school is named, was born in Fort Wayne in 1875. He is the founder (1912) and editor of "Our Sunday Visitor", and because of his journalistic achievements he has been titled "the printing-press Bishop". He received his L.L.D. from Notre Dame in 1917 and was consecrated Bishop of the Fort Wayne Diocese, June 30, 1925. He devoted himself to the organization of the Legion of Deceney and then turned his attention to the problem of improving the magazine racks with his National Organization for Decent Literature. Bishop Noll is one of the outstanding personages in secular as well as religious matters.

Class History

Looking back into its files of the last four years, LIFE records the highlights in the high school career of the Senior Class—

It was a rainy September day in 1944 when an average-looking group of frosh hesitantly walked into the halls of this school. Little did they realize how unusual their four years' stay would be.

With all manners of gripes and grunts they endured the overcrowded conditions, brought on by ever-increasing enrollment. Soon, however, hopes soared high when serious talk about a new building began.

In the meantime, they fairly hummed with school activities and bubbled over with genuine school spirit. They became the authors of a sophomore publication, called the "Magnificat". As juniors, they gave a new name and new materials to the school paper. Finally, as mighty seniors, their dreams of a new building were realized and they became the first graduating class to enjoy its use. Among other things, the National Honor Society and the Quill and Scroll club were firmly established during their career.

Now, with four happy, full years behind them, they smile with satisfaction and face the future with a very different attitude than those timid freshmen of not so very long ago.

MARY JEAN WALLACE

Valedictorian

We the class of 1948 proudly present our valedictorian Mary Jean Wallace.

Mary Jean took part in the activities of the National Honor Society, the Bi-Phy-Chem, the Tri-Opus and the G.A.A. She also participated in Dramatics and the Choral Club.

Mary Jean plans to take advantage of her scholarship next year by attending St. Mary's College, Holy Cross, Indiana. She is a member of St. Victor's Parish, Calumet City, Illinois.

Salutatorian

Andrew Petrovich captured highest honors for boys at Noll.

Andy was active in the National Honor Society, the Bi-Phy-Chem and the Choral Club. He showed promising talent in dramatics in several operettas and on many other occasions. His leadershi is shown by his election as class officer for three successive years and also by his work on the Warrior and the Marquette staffs.

A member of Assumption Parish, East Chicago, Andy is planning to enter Ball State Teachers College in September.

Bi-Phy-Chem

ANITA KAMPMANN, JIM MARTIN, ANDY PETROVICH, MARY JEAN WALLACE.

Science Fair, Mid-Point Hop, Columbus Capers, Westinghouse Science Tests, Initiation, Hobby Divisions . . . Bi-Phy-Chem projects all reflect the vitality and varied interests of its enthusiastic members.

Ever since its foundation five years ago, the Bi-Phy-Chem has grown and flourished under both its original sponsor, Sister Mary Alma, and its present sponsor, Sister Mary Edward. Real excellence in a science or advanced mathematics are prerequisites for membership, while movies and lectures on scientific topics encourage members to maintain an interest in practical as well as theoretical applications of their science courses.

In LIFE at Noll, as well as in the lives of its members, the Bi-Phy-Chem takes its ever-growing and prominent place.

Bi-Phy-Chem Initiation

During the lively proceedings of the Bi-Phy-Chem Initiation, LIFE'S reporter found he could combine pleasure with business in watching the hilarious antics of the future Einstein's and Curie's. In proving their good sportsmanship and scientific worth, the neophytes led cheers, fed each other blindfolded, cut paper dolls, and buried their profiles in flour.

For very obvious reasons, (see below) the initiates will remember their not-sodignified elevation to the ranks of dignified science club members long after they forget more sober aspects of their Lives at Noll.

Tri-Opus

M. DEPPEN, J. WHITE, P. HOESS, B. HOWAT, D. LAUER.

The functioning of the Tri-Opus Club only begins with excellence in commercial subjects. Under the sponsorship of Sister M. Holy Innocents, its officers and members made memorable the year's principal semi-formal dance, "Christmas Finale". The Tri-Opus also promoted other activities which proved the club's social influence on LIFE at Noll, such as the Christmas party and annual Junior-Senior and Freshman-Sophomore Amateur Shows.

However, the fundamental purpose and aim of the Tri-Opus is improvement in the commercial subjects; shorthand, typing, bookkeeping and office practice. Members demonstrate proficiency in their business courses when they participate in Gregg Speed tests for shorthand, and the annual National Typing Contests.

This year the "Warrior" under the journalistic efforts of Editors Jerry Adams and Joan Gnerlich, has chronicled for future years the everyday happenings of LIFE at Noll. The Warrior staff has made it possible once more for our paper to be mimeographed, while working hard to put forth a paper which not only presents our news, but keeps us religious-minded as well as socially alert.

AHEAD OF THEIR DEADLINE! JOAN GNERLICH AND JERRY ADAMS.

Marquette

Each year LIFE at Noll is summed up and climaxed with the publication of the "Marquette" by the Senior Class.

Announcement of our co-editors, Marilyn Tarney and John Graham, started things moving 'way back in October, when selection of a printer, engraver, photographer, binder, cover designer and theme for a year book to be published in May seemed too remote to be interesting. But if "Time" flies, "LIFE" was jet-propelled; write-ups, advertising, DEAD-LINE, and presto! the finished product; a combination of the best in Noll's business, artistic and literary ability.

The first signs of LIFE in literary-minded Sophomores appear in their publication, the "Magnificat." Each year the most promising talent is recruited from the sophomore English classes, and the co-editors organize the material and staff into an efficient working body.

However, the distinction of having work appear in the "Magnificat" is not reserved to Sophomores, as the entire school participates in regular contests. These contests are conducted to encourage production of more and better material from which the "Magnificat" may draw.

As its name indicates, the "Magnificat" is dedicated to the Blessed Mother. Its editors, Goldie Badovinich, Pat Hebard and Marilyn Austgen, together with sponsor, Sister M. Evangelista, have worked with the entire staff to produce a magazine worthy of its name, and truly a "song of praise" to Mary and her Son.

Fathers' Club

MESSRS. M. SCHILLO, E. DYSLIN, L. TARNEY, J. SABO, K. SCHNEIDER, M. BRANDT, M. SCHNEIDER.

During the past year, the Fathers' Club has added to LIFE at Noll a number of successful achievements. The Annual Athletic Banquet, the Bazaar, and the sale of basketball season passes are the accomplishments chalked to the credit of our Fathers' Club.

With Mr. Edward Dyslin as a zealous president, the club has in many ways contributed socially and financially to the welfare of Noll. We could not visualize LIFE at Noll without the Mothers, proving their interest in the students and education at Noll by their untiring and unselfish interest in the Mothers' Club.

Under the leadership of Mrs. Raymond Lawson, the Mothers' Club has sponsored the Sisters' Pantry Shower, Class parties, and several Bingo parties. Their hard work is also responsible for the annual Senior Breakfast given for the graduating students and their parents.

Band and Orchestra

Rooty-toot-toot! Hear those trumpets blare? Boom-boom-boom! hear the drums roar! It's Noll's Band on parade! Peppy marches accompanied the team at our football games, while the students were entertained at many assemblies by the Band.

And in reviewing the Band, we cannot overlook the Orchestra, as it, too, has taken great strides towards achieving a bigger and better musical organization. The Orchestra played the musical background for the Operetta, and performed at many shows staged in cur auditorium.

The Spring Music Festival, a product of the combined efforts of the entire Music Department; Band, Orchestra, Choral Club, and Accordion Band, was a distinct innovation in the musical LIFE at Noll this year.

Both the Band and Orchestra are under the direction of Mr. Victor Sarvello, who has proved to us that Noll can readily be proud of her musicians.

The Choral Club, under the direction of Reverend A. J. Junk and Reverend F. Melevage, has completed another successful year. Its many outstanding performances this year have served to bring its activities to the attention of LIFE'S music staff.

Some of the most important of these appearances were at the joint meeting of the Mothers' and Men's Clubs, at a local department store, and twice at St. Margaret's Hospital during the Christmas holidays. The operetta, "Oh, Doctor!" was presented in January.

While your reviewer found no serious competition for the prima donnas of the Metropolitan among the choral group, he did find an enthusiastic and able group of Seniors and Juniors, whose appreciation of music was evident in their finished performances.

With its presentation of "Oh, Doctor!", a humorous operetta, the Choral Club has added another success to its long list of musical achievements.

The Drinkwater Sanatorium, where patients "Drink - - - water from morning 'til night'', is the domain of pompous Doctor Drinkwater (C. Moore), whose domineering ways complicate the lives of his granddaughter, Glory, (J. Pribanich) her fiance Bob, (B. Smith) her best friend Honor, (M. A. Lasko) and Phil, a neighboring rancher. (R. Lawson).

Humorous touches are provided by Rainbow, the colored manof-all-jobs. (J. Pastrick) Doctors Slaughter, Cuttem, and Coffin, (A. Petrovich, E. Anderson, J. Graham) and ever-gushing Cynthia (L. Machnikowski).

In general LIFE acclaimed "Oh, Doctor!" with its colorful dances and sparkling tunes as one of the most completely enjoyable operettas Noll (and your reviewer) had seen in many seasons.

Oh Doctor!

Girls' Athletic Association

The purpose of the Girls' Athletic Association, to promote a keen interest in girls' athletics and to forward the spirit of good sportsmanship, has been an integral part in the LIFE of Noll's athletically minded girls.

Nevertheless the G.A.A. does not restrict itself to strictly athletic activities, having sponsored in the past year successful dances including the Homecoming dance with the Monogram Club, the Christmas party, and a benefit for the Settlement House.

The interest in the club shown by its sponsor Miss Bernice Herod, promotes a cheerful atmosphere among the members. She is ably assisted by Miss Shirley Tilton, whose work, especially with the Sophomore varity has added much to the welfare of the G.A.A.

National Honor Society

This year LIFE at Noll has been enriched by the newly organized Maryoll Chapter of the National Honor Society. Each member must meet the requirements of the club which are scholastic ability, leadership, service, and character. A member must rank in the upper third of his class in order to be eligible. This organization gives each student an opportunity to lead scholastically and socially during his LIFE at Noll.

Upon its visit to Noll, LIFE found a spirited, fighting, Warrior eleven representing the Blue and Gold on the gridiron. Guided by Coach Joe Keane, the Warriors concluded the season with a record of 5 wins against 3 losses.

The Blue and Gold opened the season by falling, 19-7, to the highly rated Whiting Oilers. T.F. next engaged the gridders, winning 7-0. Noll's first win came at the expense of South Bend Central Catholic, 12-6, before losing to Fort Wayne, 26-12.

LIFE then saw the Warriors compile a four game winning streak, as the Keanemen, fired with new enthusiasm, knocked off Lowell, 33-6; highly-touted St. Bede of Peru, Ill., 19-0; East Chicago Washington, 13-6; and

city rival Hammond Tech, 24-6. A later game with Gary Roosevelt was cancelled due to inclement weather.

LIFE sat in at the Athletic Banquet to see a pile-driving Fullback, Don Kasperan, voted the most valuable player award, while Eugene "Tiny" Zajdel, Noll's rugged end, copped the award for the "Player with the Best Attitude".

Hoosier Madness

That "Hoosier Madness", basketball, the king sport of Indiana, captivated the Spirit of Noll once again. LIFE'S visit to the Warrior hardcourt found Coach Duax' hoopsters dogged by bad luck throughout the season; main loss being that of guard Fred Opat due to an injured knee.

LIFE discovered a most pugnacious basketball team gracing the Blue and Gold maples. This team, led by Paul Hajduch, a clever floor worker, cool, agressive, and incomparable as defensive rebounder; Bill Howat, an unexcelled rebounder and passer, who together with the everalert, agressive Don Kasperan teamed up to form a definite defensive men-Commund on Page Sisty Eight

Coaches

LIFE at Noll would not be complete without our basket-ball teams, and we at Noll are very fortunate to have two such capable men to instruct our boys. Head coach Bob Duax and his assistant, Frank Ciszczon are two examples of Noll's spirit and fight. No matter if the games are won or lost, the boys, through these men have learned how to become good losers as well as good winners.

ace with Bill Huber, a classy, fast forward, and high-scoring junior ace, John Dermody; teamed up with "Zoots" Matovina, Bill McCambridge, Bill Olson and John Seyda to embark on a disastrous (8 won, 13 lost) career.

LIFE found that despite an aggressive, spirited and co-operative team, the records showed something radically wrong, because individually Noll can show one of the best fives

in the area.

Noll opened the season losing to a strong Merrillville five. Successive losses occurred to Hammond Tech, Whiting (in a thrilling overtime high - lighted by Dermody's 27 points), Washington, and Crane Tech of Chicago. Noll's first win came against Dyer. The Holiday Tournaments came, with the Warriors losing to Hammond High and Hammond Tech.

Noll continued on its regular schedule once again, losing to Tilden Tech of Chicago. Noll's second win came against a strong Chesterton team. The Warriors lost at Blue Island before winning its second home game, defeating South Bend Central Catholic. The cagers next lost to Gary Roosevelt. LIFE traveled with the Warriors to Huntington, Indiana, with the Noll five losing to St. Mary's, Westville came to Noll with the Warriors winning and racking up 77 points, a record for the '47-'48 season, LIFE found the Warriors traveling to Indianapolis, to win over Sacred Heart. A strong visiting Calumet High lost to the Blue and Gold, 62-59. South Bend Adams came to the Civic Center to lose, 57-56 after leading the Nollites 'til the final three minutes. A pivot shot in the last eight seconds by the Panthers' star center resulted in the Warrior's 44-43 loss to Griffith. Noll badly outclassed a Bowen five, dropping the Windy Citians 58-22. LIFE attended the Sectionals to see an underrated Lowell quintet edge out the Noll hoopsters, to terminate the Warrior's basketball activities for the '47-'48 season.

HARTNETT COLLEGE

A Word of Appreciation

We are deeply grateful to the Alumni of Hartnett College, whose splendid records in business have made possible our growth and success as business educators. The distinction our young men and young women have brought to us is greatly appreciated.

We invite into membership with us other young men and young women who may wish to follow in the steps of those who have achieved success and happiness in preparing for their life's work in our school.
